

The Fowler Block Party

Fowler has always been known as a town of "Friendly People ". In recent years the Fowler area has drawn many new residents. Long time Fowlerites are saying "Who are all of these folks that we see on Main Street? It is so good to have them but how can we meet them so that we can be friends with them?"

On August 15th the Fowler Progress Club GFWC, the Fowler Chamber of Commerce, the Fowler Historical Society invite you to participate in an ice cream social in Gerard Park with the hopes of attracting all of our citizens from both in town and the surrounding community for a chance to welcome recent comers. These organizations would like to invite all churches, clubs and organizations that are interested in joining in this effort to come with the object in mind of greeting and perhaps attracting new members and acquainting these recent citizens with what we have to offer here in Fowler. We are calling this THE FOWLER BLOCK PARTY! Bring your own table and chairs or get together with another group to share space so that groups (as in churches, civic groups, etc.) may demonstrate our friendliness.

Please contact Barbaralu Smith, Chairman at 263-4905 before August 8th for name tags and more information. Gobs of ice cream, water and help will be furnished by the committee. Please encourage all of your members to come and enjoy the afternoon.

Where: Gerard Park

When: 2:00 -4:00 August 15
