

RESOLUTION 763-09

BE IT HEREBY RESOLVED, the Town of Fowler adopts the following sewer tap fees effective April 20, 2009:

SEWER TAP FEE:

Applies to new sewer taps for private single-family residence including mobile homes inside the corporate limits of The Town of Fowler, where the town provides the digging and installation of the sewer tap only, to an existing sewer service main owned by the town. Any additional labor, equipment use, and material as needed and including asphalt when digging in pavement, used in the installation of the service line from the sewer tap to the property line will be in addition to the sewer tap fee \$3000 plus any additional labor or material as needed.

Commercial and Industrial sewer taps, must first be approved by the town council, as to the quantity and quality of the sewage to be discharged into the towns sewer system, consideration given to both in calculating the cost of the tap. At no time, will the charges for the tap, be less than those approved above.

AT NO TIME WILL A NEW SEWER TAP BE APPROVED THAT WOULD:

- A. Cause an overloading of the existing service main or sewer distribution system.
- B. Cause a violation to the towns sewer discharge permit.

Dated this 13th day of April, 2009.
